Research Publication Centre Technocrats Group

Research Publication Centre is established in Technocrats Group to promote the research environment. The aim of the Research Publication Centre is to provide the global platform to publish and share the innovative research ideas, review papers, original research articles, and scientific comments in all areas of Engineering, Basic Science, Pharmacy and Management.

Function of the Cell

- To develop and maintain the online journals in different disciplines of Science, Engineering, Management and Pharmacy.
- To maintain the quality of the publication, the manuscript is screened for plagiarism before peer review process and possible publications.
- The cell conducts several programmes to motivate the students to write and publish the research findings of projects and novel ideas.

Uniqueness

- Technocrats Group is the only group in MP who have **eight** official Scientific Journals for different discipline of Engineering, Pharmacy, Management and Science.
- Research Publication Centre is conducting various training activities to improve the research writing skill of the students.
- Students of final year can publish their project work in the form of research paper in these online journals.
- More than 50 International Experts/Scientists from USA, Australia, Canada, Germany, UK, Europe, China and Malaysia are associated with journals as Editorial/Advisory members.

ABOUT US

International Journal of Advanced Research in Applied Sciences, Engineering and Technology (IJARASET) is an international, peer reviewed, open access, online Journal, aims to provide a scientific platform to promote excellence and advancement in the area of science and technology. IJARASET welcomes article submissions from all science and technology research areas including Physics, Chemistry, Mathematics and all streams of Engineering.

International Journal of Advanced Research in Applied Sciences, Engineering and Technology (IJARASET) is a peer reviewed journal that publishes twice a year (Jan and July) on articles concerning all areas of science and technology in both theoretical and applied research.

AIM

International Journal of Advanced Research in Applied Sciences, Engineering and Technology (IJARASET) is an international, peer reviewed, open access, online journal that provides the global platform to publish and share the novel ideas, original research work, review papers, research articles and scientific comments on recent trends in engineering, science & technology. IJARASET aims to encourage the Academician, Researchers, Research scholars, Students and Industrialists to deliberate upon emerging trends.

SCOPE

We accept the original research article which is scientifically valid and technically sound. By publishing with us, your research will get the global coverage and attention it deserves. The journal considers cutting-edge contributions across the breadth of different academic disciplines.

EDITORIAL BOARD MEMBERS

- **Dr. Akhtar Kalam**, Professor, Electrical Engineering Department & Leader-Smart Energy Research Unit, College of Engineering and Science, Victoria University, Australia.
- **Dr. Hamza Mohammed Ridha Al-Khafaji**, Professor, Computer Techniques Engineering Department, Al-Mustaqbal University College, Babylon, Iraq.
- **Dr. Ramakant Bhardwaj**, Professor, Department of Mathematics, Technocrats TIT Group of Institutions, Bhopal, India.
- **Prof. Rakesh Mohan Sharaff**, QA Coordinator & Professor in IT, Department of IT, Salalah College of Technology, Salalah, Sultanate of Oman.
- **Dr. Ashish Agarwal**, Professor, Department of Mechanical Engineering, Technocrats TIT Group of Institutions, Bhopal, India.
- **Dr. Dil Muhammad Akbar Hussain**, Associate Professor, Department of Energy Technology, Aalborg University, NielsBohrsVej 8, 6700 Esbjerg, Denmark. Member IDA, IEEE, IAENG, Senior Member IEEE.
- **Dr. M. S. Dash**, Associate Professor, Department of Electrical & Electronics Engineering, Technocrats TIT Group of Institutions, Bhopal, India.
- **Dr. Vikas Gupta**, Professor, Department of Electronics & Communication Engineering, Technocrats TIT Group of Institutions, Bhopal, India.

PAPER PRESENTATION

Importance and Role of “Paper Presentation” in the students life

Now a days, Paper presentation skills are very essentially required in the corporate world. The paper presentation topics are more valuable for the students to share their knowledge and improve their communication skills. These skills play a prominent role not only during their graduation course, but also after the completion of their course, especially during their job search and career advancement.

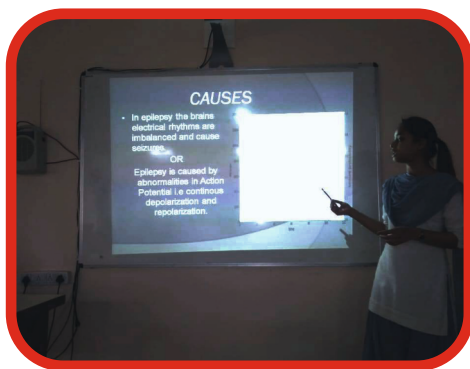

TOPICS COVERED

- | | |
|----------------------------------|-------------------------------|
| • Aerospace Engineering | • Engineering Physics |
| • Automobile Engineering | • Environmental Engineering |
| • Agricultural Engineering | • Industrial Engineering |
| • Applied sciences | • Information Technology |
| • Architectural Engineering | • Instrumentation Engineering |
| • Bio Engineering | • Manufacturing Engineering |
| • Ceramic Technology | • Material Science |
| • Chemical Engineering | • Mathematical Science |
| • Civil Engineering | • Mechanical Engineering |
| • Computer Science & Engineering | • Metallurgical Engineering |
| • Communications Engineering | • Nanotechnology |
| • Electrical Engineering | • Nuclear Engineering |
| • Electronics Engineering | • Physical Science |
| • Engineering Chemistry | • Petroleum Engineering |

Paper Presentation Competition on the “Recent Innovations and Trends in Engineering and Science” was organised at Technocrats, T.I.T. Group of Institutions, Bhopal from 8th to 10th April, 2019

Special efforts have been taken by the Research Publication Centre to improve the presentation and writing skills of the students. The main advantage or motto of the presenting paper is to bring students out of stage fear and also improve their communication skills. It also provides you an opportunity to learn in detailed about a core subject which is a part of curriculum and develop effective presentation skills

Glimpse of National Level Technical Paper Presentation Competition on “Recent Innovations and Trends in Engineering and Science” organised at Technocrats, T.I.T Group of Institutions, Bhopal from 8th to 10th April, 2019

Winners and Participants of National Level Technical Paper Presentation Competition on “Recent Innovations and Trends in Engineering and Science” organised at Technocrats, T.I.T Group of Institutions, Bhopal from 8th to 10th April, 2019
